

The background of the image features a minimalist graphic design. It consists of several overlapping, rounded organic shapes in two colors: a dark red/pink hue and a lighter pink shade. These shapes are positioned in the upper right quadrant of the frame, creating a sense of depth and movement. The overall aesthetic is clean and modern, using only color and shape to convey the text information.

# Australians at MIPTV

**MIPTV 2012**

**April 1-4**

**Cannes, France**

Welcome to Australia! This booklet provides a listing of the Australian companies doing business at MIPTV 2012.

We work across all genres of screen content creation including children, documentary, drama, animation, features and digital media.

Profiled here are Australian film, television and digital media production companies as well as distributors, sales agents, buyers and other specialist providers.

Most of the companies listed in the guide will be based at the Screen Australia stand.

Screen Australia is Australia's major screen funding agency. We develop and finance high-quality, innovative and commercially attractive projects designed with audiences in mind.

# ABC Commercial distribution

For the Australian Broadcasting Corporation, ABC Commercial is responsible for the management of a range of media businesses delivering products and services to the global marketplace. The catalogue is available across all rights, including a vast digital and mobile offering.
